Dear Friend,

Merriam-Webster defines “transparent” as such: free from pretense or deceit, readily understood, and characterized by visibility or accessibility of information, especially concerning business practices. I strive to obtain this projection in myself. Transparency is important to me and it is a staple of what I stand for in all parts of my life. I am transparent in my faith in God, in my love of family, and in my deep appreciation for this county and its’ inhabitants. Many of you know me, and it is my sincere hope that when you think of Rachael Vonderhaar - the wife, mother, advocate for agriculture, volunteer and community leader - you see the same open-book transparent leader in all walks of my life.

Through prayerful consideration, I now desire to serve in a new and exciting role as Preble County Commissioner. With your help, we can make this happen. Super Tuesday in Ohio is March 17<sup>th</sup>, and there is much to do before we ask the hard-working voters of Preble County for their support. One of which is to build a team of volunteers that would be willing to help our campaign, which is the purpose for this letter. My team and I have but one simple question:

Are you willing to be a **PART** of my team?

Support comes in a multitude of ways, and I appreciate all kinds. Most important however, is to register to vote in the Republican Primary. To do this, you must be a registered Republican voter in Preble County. If you feel so inclined to further your support, a donation to our campaign via check sent to the campaign headquarters at the top of this letter would be beneficial for our advertising and media strategies. Suggestions for financial support are listed on the following page. Please send the attached page with your intent to assist, if you feel so inclined.

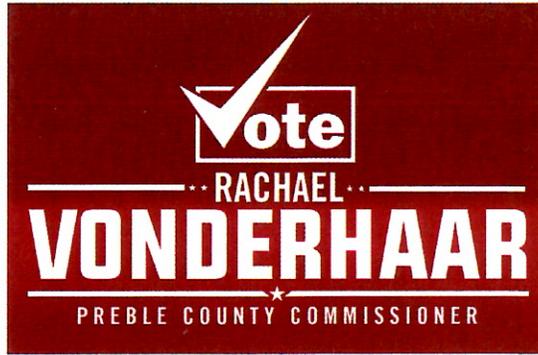

Regardless of your support level, thank you for being engaged in our beloved county. I desire to take all concerns that you may have with a pragmatic and heartfelt approach rooted in integrity. This is who I am – **PROVEN**, **ACCOUNTABLE**, **RELIABLE**, and **TRANSPARENT**. If you think these are qualities that you would want in an elected official, I welcome the opportunity to be a **PART** of my team. Check out our website [www.votevonderhaar.com](http://www.votevonderhaar.com) in the coming weeks to request signage, t-shirts, and an upcoming calendar with meet the candidate for tea events held throughout the county. I will be accessible through this entire process for you.

Cordially yours,

Rachael Vonderhaar  
Candidate for Commission

**Proven - Accountable - Reliable - Transparent**
