News From Handicap Chairs

By Andrea Hardy
and Erica Colleton

TWIG is an authorized affiliate of the Carolinas Golf Association. All TWIG Members keep a handicap. If you are new to the game you will be assigned a starting handicap. Whether you are new or have been playing awhile we encourage you to record your 9 hole or 18 hole score on the USGA website at www.ghin.com everytime you play.

Last Quarter

By Leslye Kornegay, TWIG VP

TWIG Association held its annual holiday party and gift exchange on December 8, 2024 at the University Club. The event was attended by 21 TWIG Members.

In addition to our regular golf schedule other special events last quarter included: Oct 17–20 Fall Golf Trip to Santee Golf Resort. Nineteen TWIG members played Santee National and Lake Marion Golf course. The annual Member-Member golf scramble was held at Falls Village GC with 16 players in Durham. Post golf drinks and dinner were held at Zinc House.

Foundation News and TWIG KIDz

By Renee Allain Stockton; 2024 Invitational Chair and Vanessa Walker; 2025 TWIG KIDz Manager

All members of TWIG are members of the Foundation. TWIG Foundation held its annual TWIG Invitational Golf Tournament at Lochmere in 2024- with a twist. The golf event was rained out and course conditions were not good enough for tournament play. But the fun and fellowship continued with a fantastic luncheon catered by Doug Boyd. The Invitation will be held on September 20 in 2025.

The Foundation’s mission is to inspire and empower women and girls of all ages by introducing them to the game of golf. In 2025 the Foundation will sponsor TWIG KIDz golf instruction. Applications are available March 16 and due April 16.

Congratulations to Genesis Lewis, TWIG KIDz Headed to Australia

By Carlos Lewis

Genesis Lewis, who has been a member of TWIGKIDZS for 10 years, was invited to join Coast2Coast International Athletics organization on July 5–17, 2025 to represent USA Junior girls golf in an international tournament in Australia.

Find out more about Genesis during our Kickoff Meeting on April 5, 2025.

Trivia Answer:

By Andrea Hardy and Erica Colleton

Question: It's Spring and your ball is in a fairway in a puddle of water (temporary water) — what are your options?

Answer: Your ball is in what the Rules call "temporary water." You may play your ball as it lies or take free relief. You take free relief by finding the nearest point of complete relief where you are clear of the puddle and then drop your original ball or another ball away from the puddle and within one club-length of that point not nearer the hole. You may also take relief from a puddle of water if your ball is in a bunker or on the putting green, but you do not get relief from a puddle inside a penalty area.
