What is TWIG KIDZ?

TWIG established the **TWIG KIDZ** program in 2001 to introduce and encourage African-American girls, ages eight to 18, to play and enjoy golf. TWIG members, professional and socially-conscious women, wanted to instill a lifelong love for golf and its valuable life lessons, including discipline, honesty, perseverance, self-confidence and critical thinking.

TWIG KIDZ is a one-of-a-kind opportunity for African-American girls in the Triangle area. Participants are mentored by TWIG members, taught by professional golf coaches, participate in leading golf clinics and advanced summer camps and play in local tournaments. They develop skills that prepare them to compete on high school golf teams and earn collegiate golf scholarships.

TWIG KIDZ participants refine their driving, chipping and putting skills and are exposed to community-focused opportunities. “We are so thankful for the TWIG organization and women,” praised a parent. “They are passionate and kind and without them [my daughter] would not have had the tools she needed to accomplish her goals in golf.”

TWIG KIDZ is supported through the TWIG Foundation, Inc., the philanthropic arm of Triangle Women in Golf and is a Section 501 (c)(3) organization. All sponsorships are tax deductible, to the extent allowable.
