# *Everything you need to know about pumpkins!*

Every pumpkin is different and we want to make sure we get you the right pumpkin for the job! All designs will be agreed upon but no drawing is provided. If you have art work or references you would like to share, we are happy to look at it as we create your piece. If your concept requires larger or specialty pumpkins prices are subject to change.

## **How long will my pumpkin last?**

Logo Pumpkins can last up to a week while 3D carvings last a couple of days. You can help your pumpkin last longer by keeping it moist and refrigerating it at night.

## **What about set-up and delivery?**

Individual pumpkins are for pick up only. Display pieces include local delivery and set-up. Jobs that require considerable travel expenses will add an additional fee.

## **What should I expect during your demonstration?**

We bring a few pre-carved pumpkins that will be ready for immediate display. Throughout the demonstration we will continue to add special features to the pre-carved pumpkins. The rest of the time will be spent interacting with your guest and sharing the tricks of the trade as we carve live. Pumpkins are available for purchase after the demonstration. We arrive 90 minutes prior to the start time to set-up. We ask that we are provided with 2 clothed tables, a garbage can, and proper lighting for night time events.

## **How are payments handled?**

If you place your order within 30 days of your event, payment is due in full. If you order more than 30 days prior, then a deposit of half is due to reserve your spot and the balance must be paid in full 10 days prior to the event. Demonstrations may pay the balance the day of the event. We accept check, major credit cards, and PayPal. Deposits are non-refundable.

## **How do I place my order?**

Please complete the attached order sheet. We will then contact you to discuss your design. Once plans are finalized we will send you an invoice for payment. Please double check all the details on the invoice as it contains the information for your order and delivery. Any changes made after invoicing may face additional charges.
