

Join a
RESEARCH REGISTRY

and participate in

**CHILD AND YOUTH
MENTAL HEALTH
RESEARCH**

**AGES 0-18 &
THEIR FAMILIES**

Why Participate?

- ✓ Contribute to science.
- ✓ Help improve mental health care in your community.
- ✓ Learn about scientific research.
- ✓ Some studies offer **access to new treatments and testing.**
- ✓ Most studies provide compensation for your time and effort.

To learn about studies you could participate in, please visit the “Recruiting Studies” page on our website at www.mentalhealthresearch4kids.ca.
