

A hand is shown from the wrist up, reaching upwards with fingers slightly spread. The hand is positioned in the center-left of the frame. The background is a dark, textured surface, possibly a wall or a large piece of fabric, with a bright, glowing light source (like the sun) visible in the upper right corner, creating a strong backlighting effect on the hand and casting a long, soft shadow. The overall color palette is dominated by dark blues, greys, and a warm, golden-yellow glow from the light source.

# Second Light

## Mentor Application

*Because every second chance needs a light.*
