This fitting tribute to our late president emeritus will lift up his name and legacy. It is also timely because history is taking a sharp turn right before our very eyes. It is the inspiring example of Bill Lucy, the visionary labor leader, that MAGA forces want to rip from history books and erase from our cultural memory. CBTU will not allow them to succeed! This legacy collection will firmly stamp the **Bill Lucy Era** in labor history.

Bill loved CBTU with his heart and soul. Add this iconic tee shirt and sweatshirt to your personal collection. Order now! Don't miss out.
