IMPORTANT: Please Follow Carefully

1. Review all diagrams and complete all required information for **Steps 1–10**.
2. **Measure carefully**—all measurements must be recorded in **inches only** (do not use feet & inches).
3. The letter **"A"** represents the hinge length on all covers. Ensure it is **accurately recorded** on this form.
4. Spa covers are **custom, handcrafted items** created according to the measurements and specifications you provide. **The manufacturer cannot be held responsible for errors or omissions** in measurements and **will not accept returns** due to incorrect specifications.

Double-check all measurements before submitting this form. Accuracy is essential.

1. Check your style of cover or draw on the back of this form. "A" is ALWAYS THE HINGE LENGTH!
