From the Desk of Captain Konys

Thanks to everyone that came out for the live burns in April. Great work by all.

If there is anything that you would like to do for training or teaching, please let me know.

I am working on setting up a vehicle hybrid class for June and I will be sending out outside training flyers so please check your email.

MU has released the dates for Summer Fire School in Columbia June 7-11. If you are interested, log onto the MU website to view the classes that you want to take, print out and fill out the registration form and get to Chief Kyle as soon as possible. May 3rd is the deadline at 3pm. Some of these classes will fill up fast and Officer I II III and Instructor will be in person at Fire school. Feel free if you have any questions.

Congratulations Trevor Woods!

Trevor Woods completed his Firefighter I & II and has received his certificates. Great job, Trevor. Keep up the hard work. We're all proud of you!

“Thank You!”

Elementary School Students:

The Elementary School collected stuffed animals for the Firefighters. Their thoughtful act will help to comfort children at the scene of a fire or accident.

On April 7th, Good Friday, the Fire Auxiliary held the Firefighters Fish Fry.

Here are some great shots taken during the Live Burn Training on April 22nd.
