2021 Jr Fire Academy

Class 14

Sullivan, Mo

July 12th-17th

Sullivan Jr Fire Academy Class 14, 2021

The Future of the Fire Service...

The Junior Fire Program was developed several years ago to let young men and women have a chance to fulfill their dreams in the fire service and help senior firefighters. Year after year new and old faces appeared around the station making a difference in the community. The program allows junior firefighters the opportunity to build greater career and volunteer firefighters. We feel that with the way the fire service is changing that there is a need to instill greater values in these future firefighters.

The Sullivan Fire Protection District came up with the idea to start a summer Junior Fire Academy many years ago. The idea started a spark in multiple departments; well it's that time again - Sullivan Fire District is hosting Junior Fire Academy, Class 14 from July 12th-17th, 2021.

Sullivan Junior Fire Academy Class 14 will be the 10th class recognized by the Division of Fire Safety. On graduation day, you will

receive Basic Firefighter certification and a Certificate of Completion from the Missouri State Fire Marshal's office.

We are the only Junior Fire Academy recognized by the Fire Marshal's office.
