Sullivan Fire Protection District

The news you've all been waiting for!

The Sullivan Fire District is proud to announce the hiring of our first six firefighters for the January 2026 staffing. Please join us in welcoming JD Johnson, Stetson Zelch, Jordan Rice, Kaden Bayless, Tyler Goodman, and Beau Kick to our team!

Together, these firefighters bring over 50 years of experience to our district. We are excited to share that Station 1 will be officially staffed starting January 1, 2026, at 7:00 AM.

Thank you to our amazing community for your continued support—this progress wouldn't be possible without you!

## Rooftop Food Drive

Once again, Sullivan Firefighters Helped **Jim Bartle (a.k.a. Superman)** onto the roof of the Meramec Community Mission. Thanks guys for being a hero for a superhero!

## Community CPR & AED Training

The Sullivan Fire Protection District hosted an important Community CPR training session last month. Early CPR and first aid treatment are crucial in improving the chances of a positive outcome for patients in emergencies. A huge thank you to Sean Johnson for leading the class and sharing his expertise with our community!

# Station 1 Bunkrooms outfitted and ready for crew members in January 2026!

The Sullivan Fire Protection District and Auxiliary purchased blankets for the members of the district this year. The photos show the bunks at Station 1 ready for full-time staffing.

We would like to provide an update regarding registrations. Within 2.5 days of opening registrations, we have reached maximum capacity for Class 19. A waiting list has been established for any additional registrations. The registration link remains active, allowing you to submit an application. Please note that being placed on the waiting list does not guarantee admission to or exclusion from the class. Unforeseen circumstances may arise, and recruits may withdraw, potentially enabling individuals on the waiting list to join the class.
