Junior Fire Academy

Sullivan Junior Fire Academy 2021 kicked off July 12th with a class of 27. This year's class resumed in full force after the 2020 hiatus due to COVID. The teens, ranging in age from 14-19 with 5 females and 22 males, some all the way from Columbia, converged on Sullivan Fire District and spent the week experiencing an array of valuable training ranging from CPR and ropes and knots to fire behavior and live fire evaluation. Several full time and volunteer firefighters donated their time and skills to help out. Nick White, who headed up this year's academy, commented that overall it was a great success and that they are already planning for next year. The graduation ceremony was held on Saturday evening at the local Eagles Lodge and all the graduates received a certificate of completion. Well Done Everyone!!! *see pictures on pages 4-8*
