Tornados & Severe Weather Damage

I just wanted to send a quick “Thank You” out to all our members. Friday, March 14th, was a butt-kicker, but you all did a phenomenal job! Thanks for everything you all did. All day, we were spread thin; from St. Clair, Steelville, Rolla, and Villa Ridge and multiple calls here at home... it was a long day, and you all did amazing! I appreciate everyone’s time and dedication. We couldn’t do it without you! Thank you so much! - *Fire Chief Lewis*
