HOA Annual Meeting

The HOA held a successful annual meeting on Saturday, August 17, 2024. There was a good turnout and all enjoyed the coffee and donuts! During this meeting the proposed changes to the by laws were reviewed and approved by all in attendance. The proposed changes were mailed to your home over the summer or you can view them on the Countryside website. Voting on new board members also took place. Thanks to all who came out in support of Countryside and congratulations to all our new board members!

Upcoming Neighborhood Events

HOA Meeting

The next HOA meeting is Tuesday October 1 at 7:00pm at the North Oldham Fire Department on Hwy. 1793. We encourage everyone to attend!

Garage/Giveaway Sale

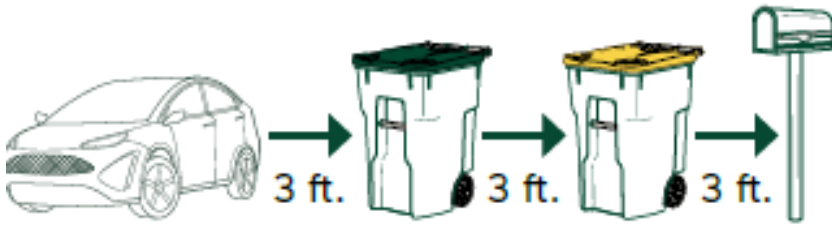

The great garage sale and giveaway day is the morning of Saturday, October 5. This is a great opportunity to clean out the closet or to find some new treasures!

Halloween Events

- October 27- Pumpkin carving contest
- October 30- Halloween yard decorating contest
- October 31- Trick or Treating

New Trucks for Waste Management

Waste Management has switched to new trucks that use large arms to pick up our 96 gallon trash and recycling cans. Here are a few reminders to help with this transition.

Please place your cans in your yard or driveway and not on the street. Placing cans on the street increases the risk of accidents.

We highly encourage everyone to create a WM login via their website or the phone app. This will keep you up to date on schedule changes.

Trash will continue to be picked up every Monday.

Recycling will continue to be picked up every other Monday.

- All items must be in the can. Nothing placed next to the can will be picked up. This includes yard waste.
- Bulk pickups of large household items (couch, mattress, etc.) are still available but you need to schedule online or via phone.
- Be sure to place your cans at least 3' from all other objects as noted in the diagram. Waste Management has been made aware that this is difficult in cul-de-sacs.
- Place wheels of cart towards your house as indicated on the lid of your cart.
- If you have questions or need a new 96 gallon cart please reach out to Waste Management directly .
