**Hi, My name is Susan Butler. I am the new Editor of the news letter. I am very new at this so you'll have to forgive me. I may miss something, I may spell something wrong or whatever. If you have something you would like me to print, you may send it to me or if you have a picture of your newest project, I'd be happy to put it in the news letter.**

## Pyramid & Stars Crib Quilt

Every quilter has had, in his or her life, events that are particularly special and lend themselves to being commemorated with a quilt

# Pine Needle's Quilt Guild

destined to become an heirloom.

One such special event is the celebration of a new baby. Many people cut their quilting teeth on a baby quilt. The Pyramid & Stars Crib Quilt will surely fit the bill when a very special quilt for a very special baby is needed. The sample quilt is hand-pieced and beautifully hand-quilted.
