At the next meeting I will have the volunteer sign-up schedules for white glove and for the demonstration booth. Your help is so valuable to

Getting Copyright Right (Nancy Prince - NQA)

Guideline #3

"A copyright statement, usually included in the front of books, magazines, and patterns specifies what can be done with those materials."

Question #3

"You see a great pattern in a book and want to teach it for your guild or shop. Can you?" "Each person would be required to buy the book to use the pattern.

Contact the author for any other type of permission."

Just home from visiting the Pine Needles Quilt Guild in Wrightwood California. Wrightwood, town without a traffic light. Elevation 6,000 ft. Approximate population, 3,300. Thanks to my great hostess Marion, I can truly say "Visit, vacation or come live in Wrightwood -- enjoy a

Letter from the President:

What a great turn out we had for our January Quilto meeting. Marion did a great job getting all the prizes for quilto, thanks Marion.

Thanks to all the volunteers that filled the chair positions. We still have open a historian, and a home tour chair person (or two) . The home tour chair is a big job and usually better shared with a buddy. We have a step by step booklet of instructions to run the Home Tour, and there is never a lack of volunteers to help organize it when you form your committee. Advice from former chair persons Rose and Joanne come free! So talk to your quilto buddy, and hopefully we will get volunteers next meeting.

Hopefully we have some fabric coming from Kaufmann, thanks to Lynn Crawford, (and Kaufmann) so when it arrives, we will be putting together some kits for members to take home and whip up some charity quilts. We will probably put together a workshop to put the kits together. All our general meetings are booked with speakers, so we will not be doing it during a general meeting like we sometimes do.

Don't forget to pay your annual dues in February of \$30.00 in case you have not already paid. You will be getting a \$10.00 gift certificate when you pay. You can use these for workshops, or if you bring in a new member, you can apply it toward their membership dues if you wish to help them out (not your own). There are also \$20.00 gift certificates available at the sign in desk you can buy for your secret pal to apply to a workshop. Our beautiful opportunity quilt (much thanks to Beth) is now available to take to venues to sell tickets. They are \$1.00 or 6 for \$5.00. It does not have to be a quilt event, it can be anything with a lot of traffic, and you are willing to babysit the quilt and sell tickets. 100% of the proceeds go to charity. The drawing for the quilt will be at our December general meeting.

I am looking forward to another great year.
