Hi Everyone.

We've gotten an exciting number of entries for the fair this year. I'll be coming again to your May meetings with the sign-up sheet for those of you who may still want to help and also bring the tickets for those of you have already signed up. Thanks!

Letter from the Presidents:

_Hope you all had a blessed Easter. I am now looking forward to warmer weather, and no more snow! We were very lucky this year not to have missed one guild meeting due to snow, even with all that we got! Our attendance through the winter months was the best ever!

We have a lot of quilts entered in the fair this year....again....and hopefully will come home with a lot of ribbons. Thanks to all who volunteered to work at the fair. It is very rewarding, and you get a free entrance into the fair. I know kathylee appreciates all your efforts.

Don't forget to make your 18" patriotic quilt block if you have not already for our "float" in the Mountaineer Days Parade. We still need a lot more, so if you can have them done by our June 14th guild meeting, that should give us enough time to decorate our

If you did not pick up a charity quilt kit at our last meeting, I put a few more together that will be out at our May meeting. This is something that everyone should be participating in. If you don't like the colors/fabrics that I put together, dig in to your own stash to come up with something. Our guild stash was pretty slim pickins this year, so if you have to add something to what I put together, the children won't mind!

Marlene Bowman is still happily accepting quilts for the mini quilt auction. We only have a couple more months. We will be looking for a lot of volunteers to work at the auction as well, so be sure to sign up to help. Most positions are only for a couple hours, and it is actually a lot of fun.

Our own Carolyn Villars has been diagnosed with breast cancer. They caught it very early, and she and the doctors are very hopeful. She will need our prayers and support. Let's not forget our Darlene Packard as well, as she continues with her treatment and recovery. Ladies, your sisters are
