June 2011 Newsletter

Wrightwood, Ca

Our speaker for June is Karen Brow.

### "Feature A Creature"

She will show playful animals & highly charming quilt techniques. As a quilt designer and teacher for over fourteen years, and a professional background in graphic design and cartoon illustrations, she will bring a different set of skills and perspective to quilting, along with a contagious love for the process. In her lecture/trunk show, she will show personal information about her family's design and sewing history, what inspires a new project, how she selects fabrics and why she so often includes animals in her quilts.

See you at the meeting

### Letter from the President:

Hope everyone had a nice Memorial Day. I always appreciate an extra day off of work. It was garage sale mania in Wrightwood. I think it was just showing how bad the economy really is, but sellers made a little money, and buyers got some great deals. I was hoping to find another great quilt deal like I did about 5 years ago at a garage sale, but it wasn't meant to be this time.

We have another great speaker coming up for our June meeting, and our July meeting will be our potluck at the Country Club. We start our July meeting early, at 6:00, so don't forget to arrive on time, and bring your yummiest dish. It is also always nice to bring along the recipe for your dish if you share, because someone always wants it!

Hopefully your auction quilts are just about done. We are less than 2 months away from the auction and the parade. I have received a lot of 18" blocks for our entry into the parade, but can always use more!

If you know of anyone in the Wrightwood area, a neighbor, or even perhaps yourself, that has a possible appropriate house that would like to be considered for this year's home tour on Dec. 3<sup>rd</sup>, please ask them, then contact the Home Tour Chair, Jeanne Hunziker at 760-249-4911. We need everyone to keep an eye out and solicit to find homes to be on the tour. I asked 2 homeowners that were having garage sales this last weekend, and they are considering it. It is fun to ask, and people are generally flattered to be asked. It is our biggest fund raiser of the year, and we need everyone's participation to make it successful so that we may continue to have our wonderful speakers, and contribute to the community.

See everyone on the 14<sup>th</sup>! Debbie
