President's letter

The Quilt Guild donated several quilts to the Moses House Ministries located in Victorville. Linda and her husband Terry delivered the quilts pictured here. Judy Morris who is Supervisor there was very excited to receive these quilts to help those who are without. In fact she was so excited she wanted to record this gift from the PNQG. Tamara Ricci is in charge of the Boutique where this picture was taken.

We also delivered several charity quilts to the Helping Hands in Wrightwood, and the High Desert domestic Violence in Victorville. They were also very grateful. Thank you both Terry and Linda for taking time to deliver these quilts.

Our Holiday Home tour Committee is really gearing up. I hope we get 100% Volunteers this

year! See Lynn Crawford to see how you can do your part..

Don't forget about your costumes for the October General meeting. I hope everyone participates although it is not mandatory. We have the \$100.00 best costume award! The end of the year will be here before we know it. We will be looking to fill several positions for Board. If you are interested in any position, or want to know more about it, just ask any of the current board members on their duties of their positions or come talk to me. My position as President that last 2 years have been a lot of fun, and very fulfilling. It is a great way to give back to your community, and your fellow quilters.

September newsletter article

Good news! We now have four lovely houses for the home tour – two newer homes and two older cabins. The houses are:

Mike and Sharon Ludwig – 1279 Oriole

Jerry and Lyn Campbell – 1405 Laura

Mike and Carolyn Stayton – 997 Oriole

Eric Magana – 5865 Elm

NEW FOR THIS YEAR. We have decided to add a featured quilter at one of the houses. This will be a guild member who shows exceptional work and will be chosen by the committee. The featured quilter will be asked to be at the house showcasing her quilts to answer questions about them

We are still looking for house leaders. I need two more house leaders to assist Marlene Bowman and Kim Ogilvie. It would be great to have new guild members take on this important

role and learn the ropes for future tours. The description for the house leaders is:

- Visit homes before November meeting to get details on styles and colors for quilts
- Coordinate house decorating on Thursday or Friday before Home Tour
- Collect quilts at Nov. meeting
- Check out the houses for appropriate lighting for evening viewing. Provide alternate lights if needed, i.e., flashlights and battery operated Coleman type lamps.
- Keep quilts safe before and after event
- Decorate house
- Remind homeowners of preview on night before tour.
- Team Leader on day of Home Tour
- Clean up, collect quilts and supplies, and inventory quilts at end of day on Home Tour day
- Return quilts to PNQG December meeting (6 pm)

Please let me know if you can take on one of these two positions at the September meeting.

Sign-up sheet – I passed around the sign-up sheet at the August meeting, but it will be passed around at the next few meetings. The home tour is the most important activity the guild does all year. We need EVERY member to participate. This tour contributes a large percentage to our annual budget that pays for guest speakers and workshops, along with all the other financial items. Please clear your calendar for December 3 and sign up. If you are not able to make it, you can contribute by decorating houses on Thursday or Friday and/or making cookies.

QUILTS!! The most important item is we need **QUILTS!!** So get to work and finish (or start!) You have until the November meeting. Please

make sure the quilts do not have animal hair or smoke in them due to allergies. Also, please make sure they are clean. Put a label on the back. A real label, not just a paper label! It is important that we label our quilts for future generations.
