

LORRIE HAVENS MEETS THE CHALLENGE—TAKES 3 PRIZES

Best Quotes:

I really worked hard on this.

I made a rule for myself—I have to use what I bought at Road before I can buy anything more.

It's hard to decide—now I know what the judges go through.

14 Quilters brought their adventures in quilting projects to be judged by their peers. Everyone who participated seemed to have tried a technique or idea they had not worked with before—and that meant lots of hours struggling with the learning curve. Icky Orr brought us a map of Route 66, with scenes along the way. Harriet McGlothlin soared in a hot air balloon. Lorrie Havens featured swimming with turtles, using dissolvable fusibles to make sea grass and painted turtles, and a painted clown fish. She won Best Representation of the Theme, Best Design and Best Machine Quilting. Lots of adventures in that quilt!

Debbie Stefan tried crayon painting leaves, and Joyce Gwimmer took a trip to Ventura Beach with an interesting landscape technique. Stephanie Neal went all the way to Alaska for her adventure, looking for Alaska themed fabrics, including Northern Lights on its back side. President Beth wove her vibrant balls, not pieced, then made perfect circles of them with Sharon Schamber's Piecelique, and threw in some Ricky Timm's Convergence technique as though she didn't have enough challenge going! Alice Smith put a square in a square with pine trees. Sandi Mogg made hundreds of Y-seams, winning Best Hand Quilting. Marlene Bowman entered her adventure, Airstreaming to Bozeman. Elisa Gurley won Best Use of Color with her hundreds of hand cut out balls in the Jump House (seen in the middle) and Carolyn Villars' Rafting the Grand Canyon was the Most Original (seen to the left). Darlene Packard made Diamonds from Mexico, and Sue Krieg made a lovely miniature paper pieced challenge. It was all definitely a challenge, including the judging!

New member Carol Gaines shows off her math class's transformation quilt.

Newly svelte Debbie Stefan assembled this panel from Mexico and Christy quilted it.

Marilyn Caudron is ready for Christmas with this appliqué quilt.

Marilyn Caudron shows of the 4th Round Robin from The Strippers friendship group. We'd like to see them all together some time.

Stephanie Neal got creative with her coffee fabric and great value changes.

HOME TOUR

This month is our guild grab, so bring them on. If you have something you think you may complete by December 6, add it to your list. If it doesn't get finished, we'll count on it for next year!

We still need people to sign up for a shift on the day of the tour. If you work at a home on the tour day, you will receive a ticket to attend the preview on Friday night, Dec. 5th. Shift sign-up sheets will be at the sign-in table November 11. We will try to honor your request as to times and home, but we also have to fit in the Friends of the Library, so forgive us if you don't get the home you requested.

PERSONAL INVENTORY SHEET AND LABELS to put on your quilts are in this newsletter. Have them both ready when you turn in your quilts Nov. 11 at guild meeting night—the hysterical , historical Quilt Grab.

CHARITY QUILTS

Over 100 quilts have been made from the charity fabrics, with 70 plus Given to the Cancer Camp with Nancy Fogo leading the enthusiasm on that.

OPPORTUNITY QUILT is at long last finished. The members contributed the arcs of this strippy wedding ring many moons ago. Lynn Crawford, Joy Agnew and Charlotte Ketchside laborously assembled it. Beth did the border, Laurie Lyle, Lorrie Havens and Beth appliqued the flower design, and Christy quilted it. I failed to get a good photo of it, but you can see it in the background on the SEW AND TELL page. Every member is obligated to sell or buy \$10 worth of tickets. You can see it at the Home Tour Boutique and get your chances now. The drawing will be at the December 2009 meeting.

New Member Carol Gaines, of Alta Loma, teaches math at Etiwanda High School . Her geometry curriculum includes symmetry, enlargement, tessellation, and reflection, demonstrated in quilt blocks and then sewn into a beautiful quilt. The quilt is then raffled off with enthusiasm. Carol has elected to keep one quilt out of 13 or so. Outstanding!

Use the enclosed labels to describe your quilt to us. We only need your name, phone number, and a quilt number on the label, with the information about the quilt going on the personal inventory sheet. For quilt number, number your quilts as follows: First initial, last initial, and then a number you assign. For example, Rose Burcher would be RB1, RB2, RB3, etc. This is important – we want to get the right quilts back to their rightful owners. **Attach one label to each quilt you are loaning to us for the home tour. Copy this form if more labels are needed, or ask your Quilt Lady for another form at the meeting.**

MINUTES OF THE PINE NEEDLES QUILT GUILD BOARD MEETING

October 21, 2008, 6:35 Wrightwood Library

Attended by Beth Stanton, Joy Agnew, Marlene Bowman, Suzi Field, Darlene Packard, Debbie Stefan, Kathy Mekemson, Lori Hovey

APPROVAL OF MINUTES of September read and approved. TREASURER'S REPORT distributed, corrected and approved.

MISCELLANEOUS; Discussion of President's Challenge, which was very well represented with 14 entries.

Discussion on Carolyn Villars' request for a Membership Directory. With the numbers presented for cost, the proposal was more appealing. It was suggested to table the proposal until the new year and the new budget. It was also suggested to have a line on the membership renewal form asking for permission to publish photo in a directory. Motion to approve tabling proposal for the new board and budget by Marlene Bowman and second by Kathy Mekemson. Unanimously approved.

Discussion of December potluck dinner. Debbi to make centerpieces and Marlene to purchase tablecloths and napkins. The ornament exchange was suggested and approved.

November meeting will be election of board members. There will be Show and Tell before Quilt Grab.

Regarding the past discussion of shirt with name on its front being eligible for a free drawing ticket in place of a name tag. It was agreed that as long as member's name was on front of shirt, it was eligible.

Darlene had suggested a member who had taken the workshop class on Wed. be able to in turn teach class on Sat. for members unable to attend on Wed. It would have be okayed by guest teacher and her book, pattern, etc. purchased. Darlene will present the idea to the guild at the January meeting.

Respectfully submitted, Lori Hovey
