President's Challenge Quilts Sing at October Meeting

Kim Ogilvie's song quilt challenge resulted in twelve entries that showcased members' creative talents and challenged everyone's deductive powers to determine the represented song titles.

Joanne Tschantré's "Hotel California" won top honors for the best representation of the song with Joyce Gwinner's "Rock Around the

Clock" and Stephani Neal's "Who Let the Dogs Out" tying for second place.

Lynn Crawford won a prize for correctly guessing the most titles.

Kim asked to thank everyone who participated. Having so many "little works of art" entered made her very happy.

Quilts & Cookies: Prepare for the 2014 Holiday Home Tour

All members are encouraged to bring quilts that they would like shown on the home tour to the November 12 quilt grab. This is our guild's annual show and we want to show as many of our members' work as possible, so don't be shy of sharing. Included with the newsletter are labels and a personal inventory

sheet. Complete and attach a label to each quilt and include all of your quilts on the inventory sheet. During the quilt grab, note which house your quilt has been assigned. A copy of the inventory will be made before you leave.

All members are asked to prepare five (5) dozen cookies for the

home tour cookie house and to bring them packaged for freezing to the November meeting.

Volunteers are still needed to help decorate the homes. Please be sure to sign up at the meeting.

Please contact Kim Ogilvie or Linda Tashiro if you have questions .

Next Opportunity Quilt Planned

Lynn Crawford and the HAGs (Hand Applique Group) are working on the 2014 opportunity quilt. She is requesting each guild member bring one or two fat quarters of bright batiks to the November or December meeting so the quilt can be really scrappy. Please pre-wash all the fabrics. The quilt will have 30 12" blocks and an

applied floral border.

The guild will sponsor a workshop after the first of the

year where guild members will make the blocks for the quilt. Details on the date to follow.

Home Tour Quilt Labels

Use the enclosed labels to describe your quilt to us. Enter your name, phone number and a quilt number on the label: detail information about the quilt should be entered on the personal inventory sheet. For the quilt number use your first and last initials and then assign a number. For example, Debbie Stefan would be DS1, DS2, DS3, etc. This is important – we want to get the right quilts back to their rightful owners. **Attach one label to each quilt you are loaning for the home tour. Copy this form if more labels are needed, or ask the “Quilt Lady” for another form.**
