# Library

Our librarian, Darlene Packard-Mossman, has updated the library holdings list on the PNQG website. Members may find the library holdings in the section titled "This and That" on the PNQG website.

The list is sorted by book title. Books published prior to 2004 are in storage at Darlene's house. Those are indicated on the list. The more current books will indicate which tote they are in and she will bring the totes to the August meeting for viewing and check-out. If you want her to bring a book that is in storage, send an email to her (doctordar@shandar.us) and she will bring it to the meeting. As usual, books in the totes may be checked out individually, and/or the entire tote may be checked out.

She will share some of the newly purchased books at the August meeting so members get a chance to see what has recently been purchased. Also, if you want a particular book/video/DVD purchased for the guild library, send an email to Darlene with the name of the book and the author(s). She will research and purchase it if it is available.

Don't worry about cutting out your foundation papers. I will be showing you a fast and easy way to do this. If you are using Bali pops or Jelly Rolls separate them into (36) - sets of 1 light and 1 dark strip. Do the same if you are cutting your own strips. Set these aside for now.

#### **Fabric Cutting**

Black fabric - Cut (16) 2" x 42" strips. Place 8 strips in bag #5 and 8 strips in bag #6.

From your dark fabric - Cut (5) 5" strips from the dark fabric. Cut at the fold so you will have a stack of (10) – 5"x 21" strips and divide into 2 stacks of 5 each. Place 1 stack of 5 into bag #1 and 1 stack of 5 into bag #2.

From your light fabric - Cut (3) 9" strips from the light fabric. Sub cut into (18) - 7" x 9" pieces. Make (2) tacks of (9) - 7" x 9" pieces. Place 1 stack of (9) into bag #1 and 1 stack of (9) into bag #2.

From your black fabric – Cut along the selvage edge (the length of the fabric) (6) 2 1/2" x 72" strips for the binding. Fold the remaining fabric in half and cut along the fold so that you have (2) 36" x? fabric. From one of the pieces cut (17) 1 1/2" strips. From the other half cut (12) 1 3/4" strips. Place (9) in bag #1 and (9) in bag #2.
