PRESIDENT'S MESSAGE

The board had a meeting Tuesday, 4/14 via Zoom! We had a few topics to discuss. I would like to share the results.

- 1) the June meeting is cancelled. We will reschedule our speaker for next year. We do not know about the July picnic, as we don't know when the governor will ease physical distancing. We did discuss the possibility of having an outdoor picnic at Grassy Hollow with spaced seating. We will wait on that decision.
 - 2) we have no information on Mountaineer Days and the mini-quilt auction.
 - 3) As we are unable to sell opportunity tickets for our opportunity quilt, we have decided to have the drawing at our December meeting in 2021! If you have tickets in your possession, change the year on them to 2021.
 - 4) Members of the guild have been sewing face masks for relatives, friends, and community members. So far we have given out over 150 masks! We have been informed that St. Mary's Hospital in Apple Valley are desperately In need of such masks. If you wish to sew some, you can deliver them to Debbie Antes, whose neighbor works there, or to Marlene Bowman. Contact Marlene if you have need of a website with a pattern. I can text you a photo with instructions on my method as well.
- Stay at home to stay safe and keep on sewing!

Carol

Another requests for masks for our local Forest Service employees.

Dear Angeles National Forest Volunteers,

We hope this email finds you well and you all are doing everything you can to stay safe!

We are looking for folks with the right skills to sew non-medical face coverings for Forest Service employees, partners and contractors that continue to work during the COVID-19 pandemic. If you have a working sewing machine, are willing to help sew masks right away, the Angeles will mail you the fabric, elastic and thread required and provide you a shipping label to return the completed masks. Please submit your name, phone number, and physical mailing address via [this online form](#) or contact Sewing Team Coordinator Errol Zamora-Sanchez at Errol.zamorasanchez@usda.gov. More information to follow once we hear from you.

We thank you for your continued efforts to be safer at home and your willingness to serve the Angeles National Forest during these important times.

Hi All,

Hope you are staying safe & healthy. Thanks to many of you who donated face masks. We are all doing a part. We currently have 40 finished quilt tops to donate. We have some kits put together & are working on more. Let me know if there is a need we will get them there. Hope you all are doing lots of sewing. I look forward to when we can get back together.

Take Care
