President's Letter

December is here. Hopefully the new year will be a much more normal one. I look forward to meetings in person soon. As outgoing President, I would like to thank all the members who served on the board, volunteered for specific jobs, and continued to serve the community through charities. Please consider volunteering again for the next year.

Merry Christmas and happy new year to all!

Mystery Quilt 2021

11-30-2020

Happy Holidays everyone! I

Hope you all are staying safe and finding unique ways to visit with friends and family.

We will soon be able to get together and I think it will be fun to have a Mystery Quilt in progress or completed to share at that time.

For those of you that are not familiar with the Mystery Quilt it is fun to do and fun to see how different they all are at completion. They are called "Mystery Quilts" because while you are making it you don't know how it comes together until near the end. You will receive monthly instructions that will direct you in cutting and sewing. Your first set of instructions will include yardage, number of fabrics and how much of light, medium and dark fabrics you need. It will also include your first set of instructions. Each month after that you will receive instructions in sewing. Your colors and choice of fabrics are up to you.

If you are interested in participating I need you to send me \$10 by the end of December. This covers the cost of the patterns and postage. I will order the pattern in January when I know how many are participating and get the first set of instructions to you by mid January.

You may call me if you have any questions @ 760-662-6652.
