## President's Letter

Isn't it great to have more daylight. The only problem is now I need to get out to the garden! I trust you are all getting to spend some time with family now that we have vaccinations available. The community center is now open for our use. Our speakers for April and may wish to remain virtual. Should future speakers desire to meet in person we will return to the community center. Our May speaker will be doing a workshop. The cost is only \$12 for the pattern. We have not charged you the usual class fee since there won't be a cost for renting class room space. As of now, only two of us have signed up. I'd encourage you to take advantage of the class. It's so nice to be able to stay in your own space and not worry about forgetting some supply! The supply list is on our website.

See you at our zoom meeting.  
Marlene

## Programs

Upcoming Programs:

**May:** "My Excellent Adventures" Trunk Show presented by Tina Curran.

This **Tuesday evening program** features about three dozen quilts created over the past twenty-plus years and shows how her skills evolved and how she, too, was once a beginner. More information about Tina and her work can be found at [www.tinacurran.com](http://www.tinacurran.com)

Wednesday's workshop, "Sought After Neighborhood," will be via Zoom This is an 36" x 36" quilt featuring 16 colorful houses. There is a \$12.00 pattern fee for each member. The supply list will be distributed as determined by the guild. SIGN-UPS needed for Wednesday Workshop

## Sought-after Neighborhood by Tina Curran

Supply List (for quilt finishing at approx. 36" x 36")

Fabric needs for the 16 houses

- 2 yards of background fabric (so 1 yard of a white background fabric and 1 yard of a black background fabric if checkerboarding your background like I did)
- 2 yards of colorful, patterned scraps for all the house parts
  - Need about 1/8 yard of scraps per house

Fabric needs for the rest of the quilt

- 1/4 yard of fabric for the inch-wide inner border (to avoid extra seams in your inner border, the 1/4 yard should be cut from the fabric bolt at approximately 9" x 40", i.e., not a fat quarter)
- 68 pieces of different colorful, patterned fabric cut at 2-1/2" x 2-1/2" to use in the outer border
- Just over a yard of fabric for the back of the quilt
- About a third of a yard of fabric with which to make binding for the quilt

Other supplies

- Neutral sewing thread for piecing (I use a 50 wt thread with variegated shades of grey)
- Quilting thread
- Just over a yard of batting
- Iron and ironing pad
- Sewing machine in good working order
- Any other supplies you usually use while sewing, including ideally:
  - 45mm rotary cutter
  - 6" x 12" and 6" x 24" rotary cutter rulers
  - Rotary cutting mat
  - Pins, etc.

## Invitation from Darlene Mossman to Sign Up for WSQ Workshops

Hi Ladies!

I wanted to let you know that we have openings for our Washington State Quilters workshops this month. The workshops will be virtual, through Zoom, so location is not an issue. I'm attaching pictures of samples of the two different workshops.

Kristin Echols was featured in the Mar/April McCall's Quilting magazine and one of her quilts is on the cover. She will teach the Friday workshop 4/23, on what to do with those blocks of the month and how to finish them the Quilt-As-You-Go way.

On Saturday 4/24, she will be presenting Crazy Quilt-As-You-Go and we will learn how to use some of those decorative stitches on our machines.

You may go to the [WSQ website](#) and sign up. These virtual workshops are at a reduced price of \$50 per class (usual workshop fee is \$65). Classes are 9am – 4pm Pacific time.

Please let me know if you have any questions. Email: [doctordar@shandar.us](mailto:doctordar@shandar.us)

Hugs and stitches!

Darlene
