TRANSPORTATION

Do you need transportation services?

The Northwest Florida Rural Health Network has partnered with ITL Solutions to offer non emergency medical transportation services to residents of the Jay and Century areas.

Services are currently operational Monday's, Wednesday's, and Friday's from 6am to 2pm. Contact the Network Office for more information.

RECENT HEALTH EVENTS

Recently the Northwest Florida Rural Health Network assisted the First Baptist Church with the mobile dental bus.

The dental bus provided free fillings and extractions to the residents of the rural community.

At Home COVID Test Kits

The Network currently offers free at home COVID test kits. For more information, you may stop by or call the Network office.

INFLUENZA (FLU) SEASON

The Centers for Disease Control and Prevention (CDC) recommends getting your flu shot this fall to help reduce your risk from serious illnesses from the flu. September and October are generally good times to get vaccinated. Annual flu vaccination is recommended for everyone 6 months and older, with few exceptions.

NEWS INFORMATION

You may be wondering about the outbreak of Monkeypox. The Centers for Disease Control and Prevention (CDC) provides information on Monkeypox. This information may include signs and symptoms, prevention, treatment, and vaccines. For more information, visit [cdc.gov](https://www.cdc.gov).

The Network Office will be closed for the following upcoming holidays:
November 24th Thanksgiving Day and December 26th Christmas Day.
