Outdoor Range: KHSC members Adam and Suzy Cain proposed adding a "Steel Challenge" program. This involves rimfire competition (pistols and rifles) that emphasize accuracy and speed. The Cain's noted that the closest Steel Challenge range is 100 miles away and having one at KHSC would likely attract shooters from a wide area. Club members were receptive to the idea but had some concerns about where the shooting station and targets could be situated on our grounds. More research will be forthcoming.
