RBK FABRIC TECHNOLOGY

RBK DRY

At the heart of all our fabrics, **RBK DRY** is the pinnacle of performance, designed to wick away sweat and keep you dry, comfortable, and ready for anything.

+STRETCH

RBK DRY + STRETCH

Superior stretch for maximum comfort and mobility.

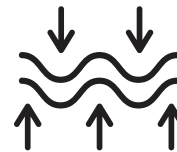

+COOLING

RBK DRY + COOLING

Enhances airflow and accelerates moisture evaporation, delivering a cooling effect to help you stay fresh and focused.

+BREATHABILITY

RBK DRY + BREATHABILITY

Designed with advanced breathability, allowing for optimal airflow and moisture release.

+WARMING

RBK DRY + WARMING

Engineered for warmth without the weight, retaining body heat while allowing breathability.
