GOLFFA24

PERFORMANCE DNA

Every Under Armour® product is doing something for you: it's making you better. The following are core pieces of DNA that deliver on this promise. The building blocks of performance.

ISO-CHILL

Fabric helps disperse body heat, making it feel cool to the touch.

STORM

A tiered system of water & wind protection that keeps you dry in any wet weather situation.

UPF+

Protect Yourself. Built-in protection from UV rays.

coldgear INFRARED

ColdGear Infrared technology uses a soft, thermo-conductive coating to absorb & retain body heat.

FITTED

A slimmer, athletic cut that allows total mobility but eliminates the bulk of extra fabric.

SIZING & FIT

Under Armour® Performance has already compensated in the design of its apparel to be consistent with normal (XS-3XL) sizing. Please order the size you would wear in a non-performance garment. All sizes are in inches.

| MENS | SM | MD | LG | XL | XXL | 3XL |
