Directions & Parking

Please take note of these, the area is only three streets but people seem to get really lost. Also, DO NOT GO UP TO ANY HOME YOU ARE UNCERTAIN ABOUT! WHEN IN DOUBT CALL ME **913.291.5969**. You are responsible for your actions and will take responsibility for any damages you cause.

This is 23786 Richmond Circle

Here are the directions to get to my residential studio ❤️ I am located at 23786 Richmond Circle in Harlingen.

Coming from the middle school, it's just past Stuart place first right onto Richmond Drive, the first left, then a right onto Richmond Circle, second house on the left.

Coming from the elementary school it's a left onto Richmond Court, then the first right past the speed bump, and a left onto Richmond Circle, it's the second house on the left.

If you read the directions, they will take you here. Please look at the street signs, there are just 3. Also look for the purple camera sign in my yard. **Apple/Google maps takes you to the wrong side sometimes and people confuse Circle with Court, so just let me know if you have any trouble.**

Parking

Please park in the green area only! I will ask you to park in the designated area if you do not. If I have yet to greet you outside before your session please wait patiently in your car or in the driveway till I greet you.

I am looking forward to your session! Just a reminder please arrive ontime and ready to go at the time of your session. If you are lost or late you are responsible for that time and your session will start at the session time regardless if you are here or ready. As a reminder If you are late more than 10 minutes from the start time you forfeit your session time and any retainers paid. If you wish to obtain a new session you must fill out a new contract and pay a new retainer to obtain a new date or time on the same date.

Thank you so much for your cooperation and patronage!
