The following information is requested to assist us in providing the best possible "match" for both you and the cat/kitten you are looking to adopt. All information in this application will be kept confidential unless disclosure is required by law.

Once matched with your new pet, there is an Adoption Contract to sign and an adoption fee to pay. All adult animals will be spayed or neutered prior to adoption. If the animal(s) is not yet ready or old enough, Heidi's Kitty Haven will arrange for the procedure to be done at a later date (the cost of which is already covered in the adoption fee). If you fail to have the adopted animal spayed or neutered, said animal(s) will be reclaimed by Heidi's Kitty Haven. The adoption fee is non-refundable for any reason as it is used to offset veterinary care.
