

Our bylaws state:

Members will serve as Ambassadors for the Corporation by encouraging community awareness of the Corporation and seek to promote its growth and services. Members will not have any voting rights. Members may serve on special, standing, and other committees and may advise and consult with the Board of Directors. The service is voluntary and subject to the availability of committee openings and approval by the Committee chair and Board. The Corporation will ask Members to provide support to the Corporation via annual monetary contributions or time commitments at levels that each member is comfortable with.

*Briefly state your feelings about donating time or monetary contributions to the Foundation .
(Use Back of this page if you need more space.)*

The Board of Directors of the Watervliet Public Schools Foundation for Excellence wishes to thank you for your time in filling out this application for membership.
