

AUTHOR – SPEAKER – PODCASTER

John Suzuki is a 40-year veteran of technology evangelism and corporate sales, and the author of the Amazon best-seller, American Grit. John is also the host of the Finding Better Podcast, and a featured speaker known for his authentic and engaging storytelling style.

John’s mission is to “lift the world by helping people achieve the “better” they want in their personal life and business. It’s all about giving back and doing his part to help heal a broken world one person at a time.

STORY IDEAS

- Rejecting victimhood; Lessons in Leadership.
- The real power of self-empowerment.
- Epic teamwork for historic success.
- Wealth is not in what you make, it’s in what you keep.
- Finding better in life, business, and the world.
- Killing hate: The coming renaissance of love.
- Better sales through strong customer relationships.
- The real value of love, courage, and virtue.
- The bucketizing of America: The frightening consequences of good intentions.
- Victory over racism: The superheroes from the American concentration camps.
- American concentration camps are in our future. What we must do to stop them.
- Reversing a culture of blame.
