

Welcome to 2021!

Happy New Year everyone! Like most everyone we hope 2021 brings some normalcy back into our lives. This pandemic brought a renewed interest in golf and we welcomed a lot of new friends into our golf family at the course. **THANK YOU** for the support this past year as well as over the years. We have established a strong foundation of members and friends that has enabled us to keep making improvements to the course and clubhouse.

The biggest improvement this past year is bringing the new well online and now having the capability to irrigate the entire golf course to the necessary demand. Another big project never done before is the deep aerification we did in September. Hard to believe we put down 49 tons of greens mix material back down on the greens during this process. Coming back in 2021 is the full Shark Experience on the golf cars, HDTV, sports ticker, playing lesson videos by Greg Norman and the ability to listen to any Major League Baseball game on the schedule that day. Other points of interest we are working on include: point of sale software and implementing online Tee-Times, we will continue with our food phone line for take-out orders and providing a clean, family-oriented place to enjoy.

The FAMILY UP & DOWN category has been a huge addition to our golf family the past two years and we will continue with it going forward. Purchase the Family Up & Down; it includes your parents, grandparents, your kids, spouses, and your grandkids, all in one annual pass price of \$1,400.00 tax included! The primary purchaser must be an active golfer. Send me an email if you have any questions on the annual passes.

Again, this year we will be offering the opportunity to pay on a monthly basis through automatic withdrawals. We ask for 25% down and then the remainder of the balance will be taken in 10 even monthly increments (if started in February) and will be paid in full in November. This can be started in any month and will be calculated out to be paid in full to November. Again, just send me an email if this interests you or have questions.

With the early payment of an annual pass, we will be offering a credit inside the clubhouse if fully paid by **February 15, 2021**. A \$50.00 credit for couples or a \$30.00 credit for an individual will be available. The credit will be in the form of a gift card with no expiration date and good for anything in the clubhouse at any time. All prices listed include the 7.375% sales tax. We will continue with our January gift card drawing this year; if your annual pass is paid in full in January, your name will be put in a drawing for \$50.00 worth of gift cards, \$25.00 at the Leaf Valley Mercantile and \$25.00 at The DogHouse Bar & Grill in Parkers. So, for a chance at \$50.00 worth of gift Cards, return your application this month! **Louise & Steve Cook** were the lucky winners last January.

We hope to see you back out on the course this spring and start enjoying outdoor activities again, this year right away when the course is ready. Our average start date over the last 25 years is April 9th, it's less than 100 days away, let's all hope it's sooner than later. With sincere **Thanks**, Patti and I look forward to seeing you again in 2021 for another year of memorable golf at Lake Milona Golf Club.
