

AHSAA and MJHS Student Athlete Eligibility Requirements

Each Head Coach is responsible for making sure that their student athletes are in compliance with AHSAA requirements. If you have a player that is not in compliance then you risk forfeiture of games and being fined by the AHSAA.

Mortimer Jordan Athletics requires each student athlete and at least one parent or guardian to sign the Mortimer Jordan Athletic Contract Form and the Photo/Video Release form before being eligible to participate in athletic contest.

All of the forms needed for a player to gain eligibility are on DragonFly. Please upload all required eligibility documentation to DragonFly. If you have trouble uploading the certificates, you can return completion certificates to Coach Carnes and he will upload them for you.
