## MORTIMER JORDAN HIGH SCHOOL PARTICIPATION AGREEMENT

**The Mortimer Jordan athlete must:**

1. Meet all eligibility requirements set by the AHSAA and the Jefferson County Board of Education.
2. Attend all practices and games unless properly excused by your coach. One absence without an acceptable excuse will bring extra work; a second absence will result in the athlete being excused from the team.
3. NOT use or be in possession of alcohol or other drugs (without a doctor's excuse)
  - Violation of this agreement will result in a suspension period and bring extra work. This will be determined by the principal, coach, and athletic director on an individual basis.
  - A second violation will result in immediate dismissal from the Mortimer Jordan Athletic Program and all athletic teams for ONE CALENDAR YEAR.
4. Not use or be in possession of tobacco products. Violation of this rule will bring extra work and possibly a suspension period. A second offense will result in a suspension period and extra work.
5. Not be suspended from school. Suspension will result in the athlete not being eligible for practices or games during the suspension period.
6. Participate in our off season programs, including summer workouts.
7. Be responsible for all equipment and uniforms issued to him/her. He/she must pay for any lost or damaged items.
8. Assist in the maintenance of the athletic facilities and dressing areas.
9. Complete one sport's season (all practices and contests) before beginning another sport's season or practices and contests. (An athlete will not be permitted to quit one sport in order to participate in another sport. The athlete who quits will only be allowed to begin participation in practices and contests of the new sport after the conclusion of the season of the sport quit).

The Principal and Athletic Director of Mortimer Jordan High School will rule on any exceptions to the rules due to extenuating circumstances. Athletics is not a required subject for graduation; student-athletes choose to be a part of this program. Therefore, student-athletes must comply with the rules concerning the Mortimer Jordan High School Athletic Program. If an athlete is removed from the program because of disciplinary reasons, he/she is not eligible for any athletic awards.
