Renowned Artist Romualdo "Rommel" C. Perez Unveils New Masterpiece "Intertwined"

Metro Manila - April 24, 2024 - Romualdo "Rommel" C. Perez, an esteemed visual artist renowned for his surrealistic and socially charged works, introduces his latest creation, "Intertwined". This new artwork represents Perez's foray into a noirish interpretation of magical realism, seamlessly blending the fantastical with the mundane.

A graduate of Fine Arts from the University of Sto. Tomas, Perez has been a fixture in the art world since the early '90s. His diverse portfolio spans mediums such as watercolor, acrylics, and assemblages, earning him recognition from both national and international award-giving bodies.

Based in the tranquil surroundings of Naga City, Perez's artistic journey recently reached new heights with his participation in the "Project Hulmahan" exhibit at the FACLA Hall in Los Angeles in 2023. His piece, "Pag-Asa," featuring a shoe mold, captivated audiences with its poignant symbolism and impeccable craftsmanship.

Perez's creative prowess extends beyond traditional art spaces, as he collaborates with Team Mandala on their upcoming feature film "Chiaroscuro." Set against the backdrop of New York City and slated for production in 2025, "Chiaroscuro" promises to be a captivating exploration of fate, destiny and the shadows within.

"Intertwined" serves as a testament to Perez's ongoing artistic evolution, inviting viewers into a realm where reality and imagination intersect in a mesmerizing dance of light and shadow.
