

BOBBY HENLINE FOUNDATION

The Bobby Henline Foundation works to reinforce community connectivity and healing for our work- or battle-wounded USA Military Veterans, Firefighters, Law Enforcement Officers, 911 Dispatch Operators, Correctional Officers, EMS and their families, and Gold Star Families.

Organized Retreats

Host 2-4 day retreats across the country. Fishing, camping, forging, hiking, painting, kayaking, bowling, etc. to promote connectivity.

Remembrance Tags

Present dog tags of combat veterans who have died by suicide from military wounds to military veterans at events.

The Body Shop

Provide financial assistance to military veterans with combat-related injuries traveling to get a prosthetic or get a prosthetic refitted.

Reflective Art

Create art that tells a personal story. Start meaningful conversations with family/loved ones, share personal experiences, create bonds of connection. We are more alike than different.
