

## **Website Booking – Terms & Scope Disclosure**

All services booked through the CNEWZ CLEANZ website are subject to the Company's Terms of Service.

**Standard cleaning services are limited to four (4) rooms, each not to exceed 900 square feet.**

Customers are required to confirm room count and approximate square footage during the booking process.

If the requested cleaning exceeds the standard scope, pricing will automatically adjust at checkout to reflect additional rooms or expanded service areas.

Payment confirms acceptance of pricing, service scope, and all Terms of Service. Prepayment secures a scheduled appointment but does not guarantee service completion if site conditions prevent safe or professional performance.
