THE TOURNAMENT IS ONLY THE BEGINNING

Kingdom Heirs uses sport to open doors for the Gospel—but our goal is greater than filling a stadium or recording a moment of decision. We are helping people become disciples who obey Jesus, serve their communities, share their faith, and help make other disciples.

Your prayers and generosity are turning a day on the field into a lifelong journey of following Jesus.

A MOVEMENT FROM THE FIELD TO THE CHURCH

Competition brings athletes together. Relationships, proclamation, and local follow-up help carry the impact beyond the final match.

A Proven Bridge to the Community

Football reaches young people who may never have entered a church or considered the claims of Christ. At each Sports Gala, the Gospel is presented clearly, local pastors stand ready to welcome new believers, and coaches become partners in continued discipleship.

Kingdom Heirs works alongside local leaders and uses personal testimony, media, and public ministry to reach the wider community.

SERVE → REACH → DISCIPLE → MULTIPLY

This is not event-based ministry alone. The tournament is an entry point into a pathway of biblical teaching, accountability, local-church connection, evangelism, and service.

THE RESULT WE ARE PRAYING FOR

Not merely attenders or followers—but doers of the Word who help make more disciples.

MBALE CITY, UGANDA

The Gospel was shared in packed gatherings, with prayer and personal ministry offered to athletes and community members.

The Reach Extended Beyond the Tournament

- 175 decisions were recorded during the first morning of the Football Gala.
- Three radio programs carried the message across more than 16 cities, with an estimated potential audience of 500,000 people.
- Forty-five decisions were recorded during ministry at the men's prison.
- Church services, personal evangelism, and the tournament finals produced hundreds of additional responses—including Derrick, a fuel-station worker who received Christ and was given a Bible.

Preaching and radio ministry amplified the message while local leaders helped connect people to continued fellowship and discipleship.

When local pastors, coaches, and churches work together, young people are not left alone after making a decision. They are welcomed into Christian community and encouraged to keep following Jesus.

Partnership Makes the Work Possible

The Zambia outreach combined tournament play, discipleship teaching, and Gospel ministry. Kingdom Heirs served alongside Christian leaders who know their communities and will remain present after the event.

THE FRUIT CONTINUES AFTER THE FINAL WHISTLE

The same young people drawn by football are invited to respond to Christ, receive prayer, and begin a life of discipleship.

The 90-Day Journey into Discipleship & Evangelism

After the tournament, athletes are invited into a structured 90-day journey. Coaches and pastors walk with them through Scripture, prayer, obedience, evangelism, and service. Hundreds of athletes have completed the journey, and testimonies continue to come from young people who have joined churches, begun serving, and are actively living out what they learned.

Celebration and personal encouragement help athletes see that they are known, valued, and called to live faithfully for Christ.

“BE DOERS OF THE WORD, AND NOT HEARERS ONLY.”

James 1:22

Our prayer is not simply for more church attenders. We are laboring to see obedient disciples who receive the Word, practice it, share it, and teach others to follow Jesus. This is how one tournament can continue producing fruit long after the crowd goes home.

HELP SEND THE NEXT TOURNAMENT

Equipment, medals, local partnership, and joyful celebration are visible pieces of a much larger mission: reaching people and making disciples.

\$2,500 CAN HELP HOST ONE COMPLETE SPORTS GALA TOURNAMENT

Each tournament creates an opportunity to gather athletes and families, partner with local churches and coaches, proclaim the Gospel, and place new believers into a structured discipleship journey. A gift of any size helps provide the field, organization, outreach, equipment, teaching materials, and local follow-up needed to reach another community.
