

# Step 1 Process

A free process to assist in determining whether Whatever It Takes provides the services you need.

Educators and families are faced with so many challenges while raising and educating others. Children do not come with instruction manuals and we all need a little help. Sometimes.

When you don't know what to do or where to go, start with step 1. Have a qualified educator establish a plan that works specifically for you. Whether you need: Social Emotional Skills, Interventions for behaviors, Life Skills or Executive Functioning skills, Step 1 process provides free access to tailored made instruction.

# Step 1 Process

Why try it?

How does it work?

Next Steps!

## Why try it?

1. It is Free
2. You are provided a tailored Step 1 activity or intervention created for your individual learner
3. There are no future obligations for services
4. Minimal personal information is required to complete the plan

## How does it work?

1. Participate in virtual consult with your qualified educator
2. Sign Privacy and Policy agreements
3. A qualified educator will create the beginning intervention step
4. Participate in a brief meeting for independent application of Step 1 in the process
5. Apply suggested intervention independently (Up to two suggestions for initial intervention application are provided, if it doesn't work, there is no obligation)

## Next steps!!

1. Reconvene consult, to include learner and specifics
2. Establish pricing plan and implementation preference
3. Sign contract for services
4. The qualified educator will create an inclusive intervention

**Pricing Plan A:** \$100.00 This pricing plan includes research based interventions provided in hard copy with up to two plan alterations.
