SAVANT

EYES, EARS & VOICE
AT YOUR DOORSTEP

With a full line of products and integration options, Savant brings all of your entry and security services together into our award winning family of smart home interfaces. Access and control cameras, door locks, security systems, gate and entry stations, and receive customizable notifications on nearly any device, from anywhere.

FEATURES

- Video recording for later viewing
- Five assignable ringtones
- Answer, see, and speak to visitors from anywhere
- Customizable user interface in Savant Pro App
- Notifications for events such as visitors or motion
- Support for optional night vision cameras

DOOR LOCKS
HOME

Front Door

UNLOCKED

LOCK

Front door is unlocked.
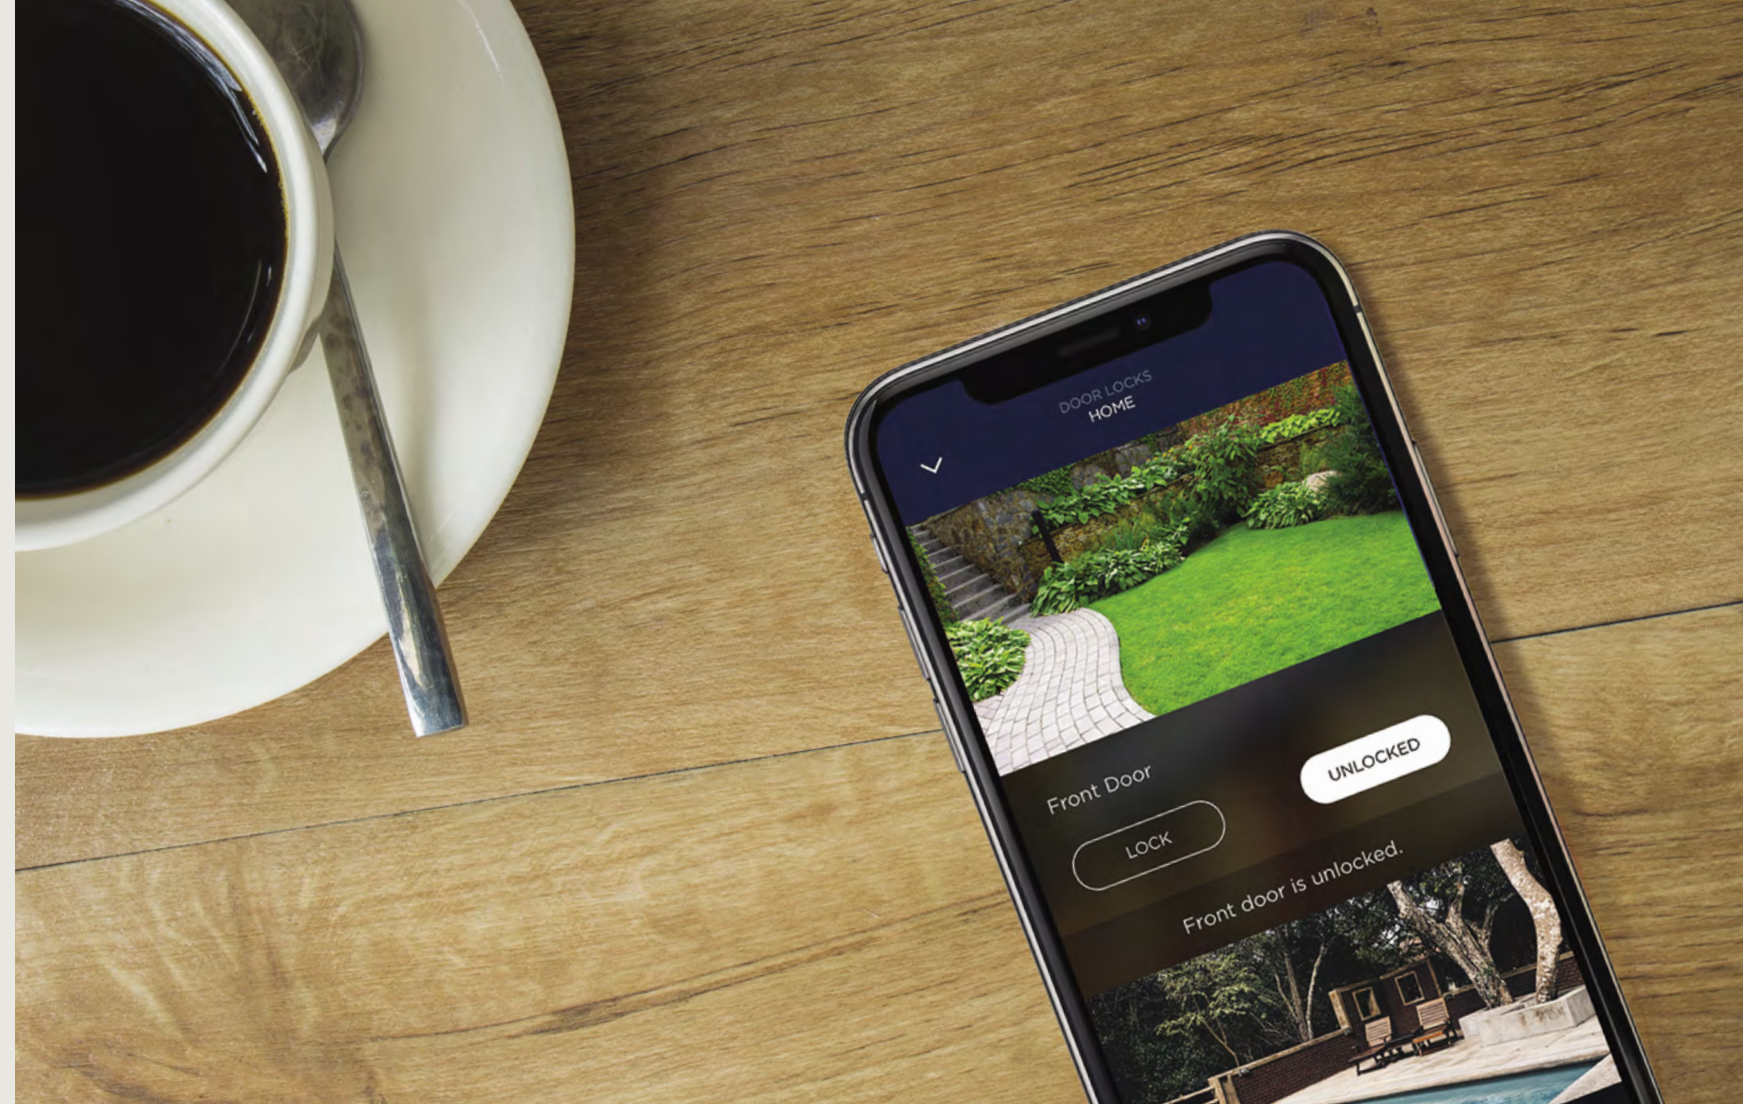

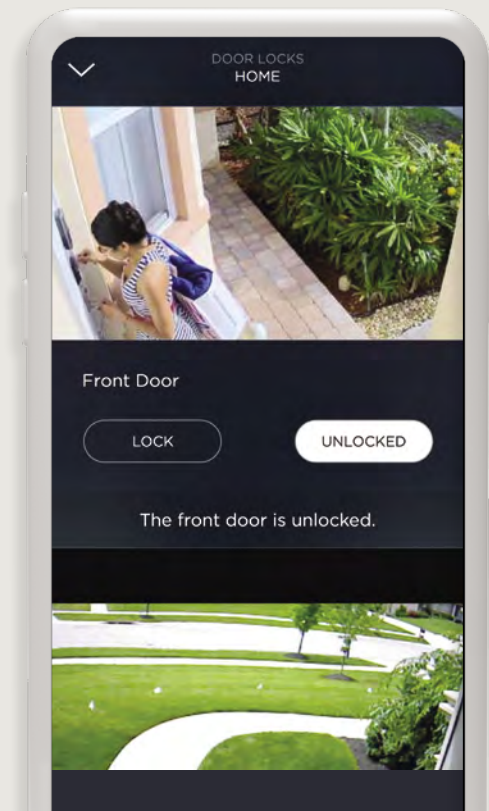

ANSWER FROM ANYWHERE

Be notified instantly when someone is at your door with an audio and video feed from the door entry station, regardless of where you are. Answer to start the two way intercom, and unlock the door, turn on the lights or activate a Savant Scene.

INSTANT REPLAY ON DEMAND

Want to see what happened? Use your device to access video recorded when someone pressed the keypad, or when motion, noise, or tampering has been detected. Video clips are automatically stored for 90 days, or lock individual clips to retain for longer.

DOOR LOCK FEATURES

Control or check the status of smart door locks right from the Savant Pro App's customizable door lock screen, with support for camera feeds and notifications, you can check in from anywhere at a glance.
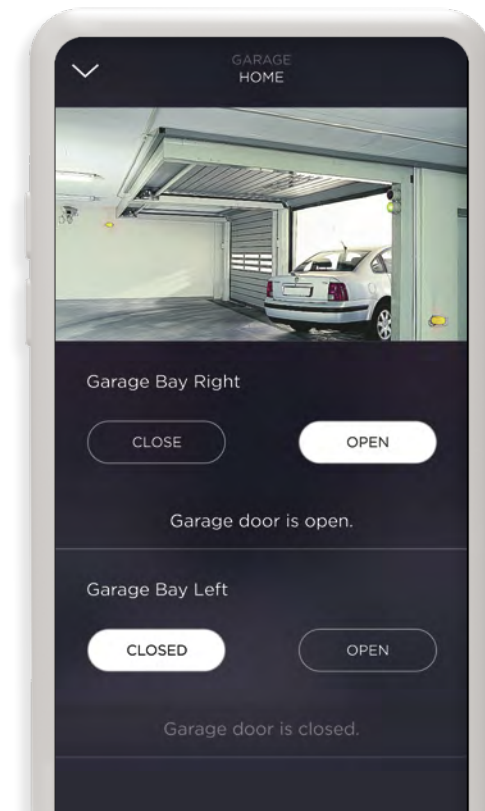

GARAGE DOOR ENTRY

The Savant Pro App Entry service lets you open, close, and monitor status of gates and garage doors with ease, with support for camera feeds and personalized real-time notifications.
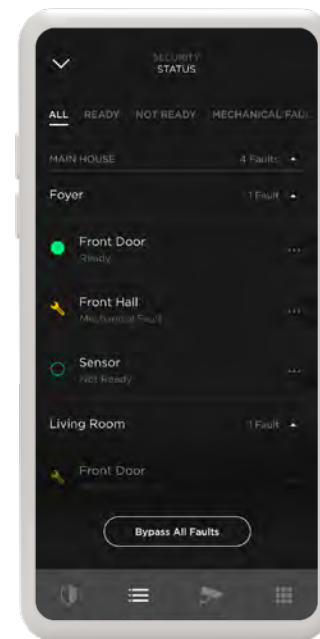

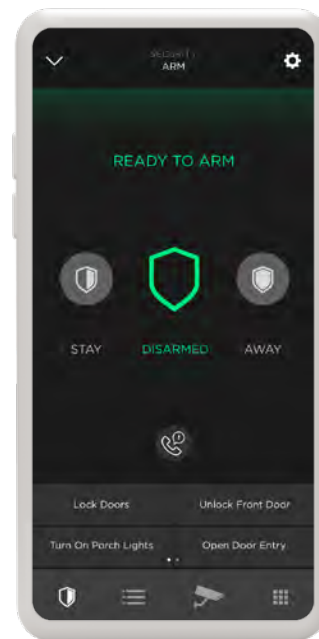

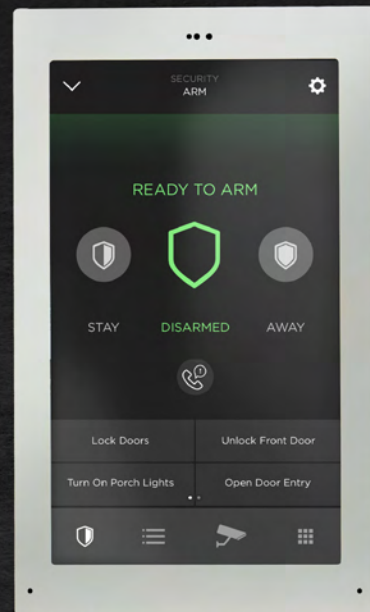

SECURITY

Reliable, intuitive, and powerful - the new 9.4 Savant Pro App Security service integrates with your existing security system, matches its familiar functionality, and adds the incredible power of Savant to keep a watchful eye over the things that matter most.
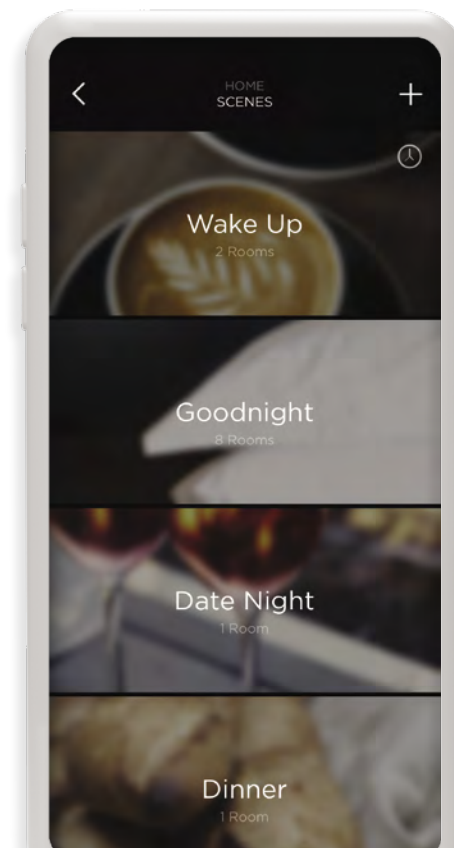

A SEAMLESS EXPERIENCE

On nearly any screen - from your TV to your smart watch to the iOS or Android device you use every day - the Savant experience is there for you with personalized real -time notifications and access to all your services from a single intuitive interface.
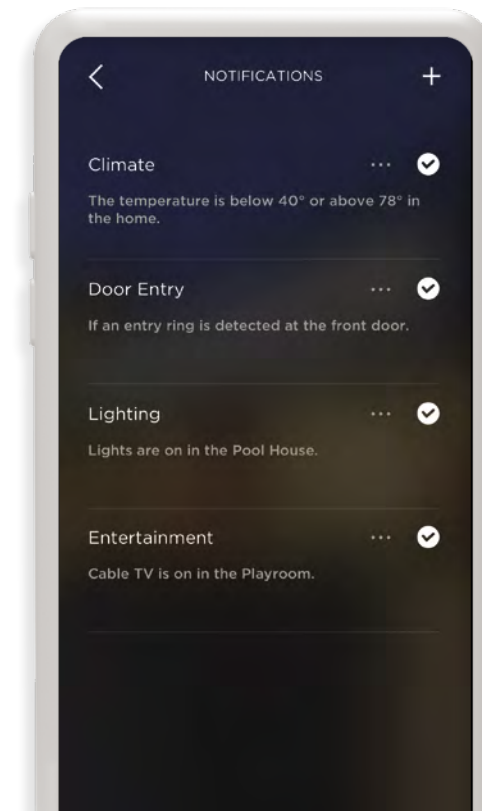

NOTIFICATIONS

Our full-featured set of options for personalized notifications enable you to stay updated with alerts sent to any device in real time via email, SMS, or in-app push notification. With the ability to check in at home in an instant, Savant gives you the peace of mind to boldly go wherever life takes you.
