## **S290 INTERMEDIATE WILDLAND FIRE BEHAVIOR**

**OCTOBER 19-20 & 26-27 2019  
0800 – 1700 EACH DAY**

---

**CLACKAMAS COMMUNITY COLLEGE • TRAINING CENTER A, ROOM  
T-103 19600 MOLALLA AVE • OREGON CITY, OR 97045**

This course provides the student with basic skills to determine characteristics of fuels (vegetation) when involved in a wildland fire, the effects weather has on a wildland fire, the various topographic features that impact wildland fire and the fire behavior patterns of a wildland fire.

S-290 is required for all Single Resource Boss positions under NWCG and DPSST requirements.

Successful completion results in an NWCG certificate and DPSST NOCC

Registration Closes October 1<sup>st</sup> 2019
