Thank you for your interest in the CG All Star Cheer Program. Cheergyms will be celebrating its 29th season and is proud of the legacy it continues to leave.

At Cheergyms, we believe in building the entire athlete from inside out. We expect full dedication from our athletes and we guarantee full dedication from our Owners, Coaching Staff, and Instructional Staff.

We encourage all athletes to search out the program that is best for their family. If in the end you decide it is Cheergyms, get ready for a memorable and fulfilling experience.

Who is Cheergyms.com

Formerly known as Pyramids Inc., Cheergyms.com was one of the first specialized cheerleading gyms on the West Coast to give cheerleaders a serious place to compete year round. Started in 1995 by Morton Bergue and Danny Kahn, active participants in the National Cheerleaders Association (NCA), Pyramid Inc. filled a need that had gone unnoticed for nearly a decade.

Beginning in 1986, All Star cheerleading competitions took the cheerleading industry by storm. Unfortunately – until Bergue and Kahn opened Pyramids Inc. – teams were forced to practice in parks, backyards and old gyms. There was no organized place for them to learn, practice and compete.

Starting with one team of senior-aged students in 1996, Bergue and Kahn used their coaching and choreography expertise to train competitors and place their business at the cutting edge of a sport that had not quite been discovered on the West Coast; one that would go on to change the landscape of competitive cheerleading in Northern California.

“Cheergyms has given my daughter so much!!!! She has improved talent wise and the coaches have boosted her confidence level tenfold! The friends she has made at the gym have been priceless too! We love it!”

Cheergyms.com Today

In 2000, Pyramids Inc. became Cheergyms.com. Today, Cheergyms trains over 200 members, all levels of cheerleaders from school teams to youth football teams and is home to some of the most successful All Star teams in California. Cheergyms.com also runs Spirit Spectacular cheerleading camps and choreography throughout the US and internationally.

We are most passionate about first developing character in our kids and then their athletic ability. Our focus is not so much about winning; we want to help develop the kids in a positive atmosphere and help them achieve their maximum potential in a positive way. It's a safe, positive place for them. Their parents can also trust us to create a great opportunity for them in the world of All-Star cheerleading. Our favorite thing to hear from parents is how much more outgoing, confident and successful their child is because of their experience at Cheergyms.com.

With 90 years combined experience, the owners of Cheergyms.com share a passion and love for the sport of cheerleading. Known as winners and experts in every aspect of the sport, owners Morton Bergue, Danny Kahn and Derick Patterson are extremely hands on, working everyday to help their students reach their full athletic potential.

At Cheergyms.com, it's not just about cheerleading. The staff build character in their students, helping them to become more confident, more successful versions of themselves.

Why All Star Cheer?

Cheergyms is a world-class training facility that specializes in teaching young women and men life lessons through the sport of cheerleading. Life lessons such as: how to be confident and capable, work ethic, sportsmanship, community service, teamwork, trust, listening skills, time management, goal setting, winning and losing with grace, and so much more. Our families are raving fans about our program because of the benefits they see week in and week out at Cheergyms.

We've got an All-Star team for everybody! New to cheer, new to Cheergyms or a 10-year veteran, if YOU have the desire, and the work ethic then we've got the PERFECT team for you. People choose Cheergyms for a variety of reasons: our incredible facility that allows us to comfortably have multiple teams training. Or knowing that your child is being put on a path to reach their fullest potential! You've got big dreams for your child? We do too. Seeing every athlete progress under the tutelage of our amazing staff and world-class training program is the reason we exist!

Cheer Types & Levels

Cheer Team levels are based on a variety of factors but is first by age and then by skill. Below outlines the basic structure of the All Star Cheer Industry Standards. Currently there are 7 levels in all star cheerleading. They are numbered 1 to 7 in increasing difficulty. Below outlines skill requirements for those levels based on the competitive scoring system. Cheer Options

Cheergyms offers a wide variety of cheer teams giving all levels of cheerleaders a chance to try this incredible sport.

Cheer FUN class runs year round. These athletes get a chance to try cheer, meet some friends and learn the basics of cheerleading. This is great for all ages from 5-16. This class requires a trial or membership to participate.

Show Teams run every 6-weeks. These athletes get a chance to try cheer, meet some friends and learn the basics of cheerleading and put on a show for parents at their last practice. This is great for all ages from 5-12.

Prep Teams run three times a year and are 4 months long. During those months they learn a cheer routine and perform in the novice division at local competitions. This is a great start to trying cheerleading and all the great confident builders it includes. These teams run June-September, September-December and January-April. This is great for ages 3-15. These teams are by sign up. Practices are 1 day a week on Wednesday's, time varies.

Excel Teams run once a year for 8 months. This is for the athletes that really enjoy the sport and want a chance to compete. These teams complete in the prep division with required skills and runs from September-April. They will attend 4 one-day local competitions and 1 travel event in Southern California. These teams are by tryout only. Teams practice 2 day's a week on Monday's & Tuesday's. Times vary by teams.

Elite Teams are for the most dedicated athletes that have a real love for the sport and want to train year round for the opportunity to compete up 8 times in the elite divisions that require specific skills at both local and travel competitions. These athletes make great lifelong friends, build amazing confidence all through the sport of cheerleading and travel to fun places for competitions. This is great for athletes that want to take cheerleading to the highest level. These teams require a tryout each May and the season runs June-May.

Club STUNT, this new type of cheer removes the crowd-leading element and focuses on the technical and athletic components of cheer, including partner stunts, pyramids, basket tosses, group jumps and tumbling. Check out this video to learn what Stunt the Sport is www.tinyurl.com/WhatIsSTUNT. These teams will run from June-December. Cheergyms will not excuse misses from practices FOR ANY REASON....a miss is a miss, and affects the team the same way regardless of the reason why an athlete is absent. Cheergyms does realize that every family is unique in their family time and Cheergyms has created an absence policy that puts the control in the hands of the athlete's family. Mandatory school events will be taken into consideration with at least 1 month notice for the coach to plan. Athletes can not miss the practice before a competition/performance.

Elite Absence Policy

- * Athletes will have 4 allotted absences from June through August
- * Athletes will have 3 allotted absences from September through December
- * Athletes will have 2 allotted absences from January-April/May (Post Season)

Excel Absence Policy

- * A total of 4 absences allotted to be used throughout the season.

Fall/Winter Prep/Club STUNT Absence Policy

- * A total of 2 absences allotted to be used during the session.

Summer Prep Absence Policy

- * No policy is in place as we understand it's summer. However, the more absences missed the less of a role in the routine the athlete may have.

Important Policies & Reminders

DROP OFF AND PICKUP

We have many athletes and their parents entering and exiting the facility. Safety is our number one priority. Please drive slowly and watch out for children. At no time is parking along the cones or to the right of the building allowed. This is to ensure the safety of all.

UNIFORMS AND ATTIRE

Please keep all Cheergymz clothing, warmups and uniforms in good condition. CG is not responsible for any lost or damaged items. The cost of replacement will be the responsibility of the athlete. Athletes must wear all assigned practice wear to practice. Athletes will not be allowed to wear jewelry to practice.

COMMUNICATION

As a parent, you will receive information in several ways. Each month we send emails that contain important information. In addition to email, we use an app (BAND) to communicate important information to teams. This app can be downloaded on any smartphone and should be checked frequently. It is the parent/guardians responsibility to read all information put out to ensure an important message is not missed.

COPYRIGHT NOTICE

The logo of Cheergymz belongs to the owners of the program. You cannot sell or create your own Cheergymz clothing or other items. This includes the gym name, team names, gym hashtags and any likeness to logo, affiliation and/or program without the permission of Cheergymz.

BE POSITIVE. Help your child learn to enjoy this sport and develop skills that he/she is capable of performing. Practice with, and help your child so that he/she will have an opportunity for skill improvement through active participation.

Be realistic about the strengths and weaknesses of your child so that you may place him/her in situations where he/she has the maximum opportunity for success.

ASSUME GOOD INTENT! Do not make assumptions about anything. Always ask.

Help your child set realistic goals. The sport's primary value is the opportunity for self-development. The probability of achieving lasting fame and glory is low; yet, their experiences allow them to develop lifelong values and self-esteem.

STAY POSITIVE. Do not gossip about other teams, coaches, parents, other gyms, or children. Again, if you have questions. **ASK**, rather than listen to nonsense or engage in irresponsible conduct.

TUITION

Costs vary by program type at CG. To help make things more flexible and affordable, we are proud to offer multiple payment options for our gym families. A statement is sent on the 25th of each month. Payments are due on the 28th of every month. All accounts with a balance will have cards automatically run through our class management software, Jackrabbit. Monthly payments cover all team practices, competition fees for the season, coaches fees, routine choreography, routine music, and an insurance fee.
