ELF THE MUSICAL!

Kudos to all the students and teachers who participated in Elf the Musical. It was the biggest attendance on record in recent years with 1,658 tickets sold. And THANK YOU to all those who volunteered to decorate the lobby, serve tech week meals, or sell tickets and concessions. We could not do it without you. The show was a big success, and we look forward to the HAYA nomination watch party in March! Also, congratulations to Aidan Cox, Krish Muthukumar, and Evan Schmitt for receiving scholarships to attend the NYCDA (New York Conservatory for Dramatic Arts) summer intensive program. A representative from NYCDA attended the Saturday night performance and presented them with awards following the show.

UPCOMING AUDITIONS

Auditions for Clue are the last week before winter break and students are working hard to prepare! Also, shortly after the break, students will audition for the UIL One Act Play.

Please note that students with outstanding show fees will not be considered for future shows. Because there is a limited CPHS budget for productions, show fees are used to purchase costumes, props, supplies, rights/royalties, tshirts, advertising posters, and other show-related expenses so that students have the opportunity to participate in a production. If you need financial assistance with show fees, the Director can provide a show fee scholarship request form.

CABARET

Musical Theatre students are preparing for the upcoming Cabaret in the PAC on January 10th. They also will perform at local area retirement homes in January.
