

## LOCATION:

Wrightstown  
Mueller Park boat launch area  
620 Washington St  
Wrightstown, WI 54180

[Click here for directions](#)

## HOW IT WORKS:

- Make a reservation & sign waivers
- Wait for an email from Masterlock.
- Download the app (Masterlock email has the authentication information).
- Unlock your equipment with the app and lock it back up when you're done.

## ABOUT:

Paddles and standard sized life jackets are always included. Many people prefer to bring their own life jacket which is OK!

Wrightstown was the first Kayak Wisconsin location! There is an awesome shallow creek that many people have learned how to kayak on. There is a fantastic coffee shop, restaurants, and even a brewery in walking distance. Enter with ease on the ADA Accessible kayak launch.

## HOW IT WORKS:

- Make a reservation & sign waivers
- Wait for an email from Masterlock.
- Download the app (Masterlock email has the authentication information).
- Unlock your equipment with the app and lock it back up when you're done.

## ABOUT:

Paddles and standard sized life jackets are always included. Many people prefer to bring their own life jacket which is OK!

No wristband, no problem! Our Duck Creek Quarry kayaks are located by the boat launch, so you don't need a wristband (but you do need one if you're going to play at the beach). We have hangout kayaks at this location so you can dangle feet in the water. We've also heard of some pretty great fish being caught here. Many parents chill on the kayaks while the kids swim.

- Unlock your equipment with the app and lock it back up when you're done.

## ABOUT:

Paddles and standard sized life jackets are always included. Many people prefer to bring their own life jacket, which is OK!

On a calm day, this location is a favorite for photographers chasing a sunset. There isn't anything better than looking out at the glass like water. With wind, it can become choppy quickly, so watch the weather and know your limits. This location has an ADA kayak launch.

## ABOUT:

Paddles and standard sized life jackets are always included. Many people prefer to bring their own life jacket, which is OK!

Brand new in 2026, a new East River location. The East River in Bellevue was one of our busiest location and we think you'll love this one just the same. Enjoy sightings of awesome birds and huge turtles. A great location to bring binoculars. The water is shallow (sometimes too shallow). It's slow moving and has an ADA kayak launch.

- Unlock your equipment with the app and lock it back up when you're done.

## ABOUT:

Paddles and standard sized life jackets are always included. Many people prefer to bring their own life jacket which is OK!

This gorgeous location is on the Bellevue side of Green Isle Park. It has an ADA kayak launch and gorgeous scenery. It's an active area with bikers, walkers, and runners and has a roomy parking lot. Head towards Allouez (if you go under 172, you'll likely get stuck in shallow water). This was one of our most popular locations in 2025.
