

Breaking Clays for Broken Bones

TRAP SHOOT

On July 4, 2020, Colby Dibble was repelling off of a bridge when his equipment failed and he fell 40ft, landing in a creek bed. He broke and crushed 10 vertebrates, 2 ribs, arm in 5 places, his left leg, punctured his lung and lacerated his spleen. Colby graduated from Summerville High School in 2017. He is an Eagle Scout and is currently a student at Columbia College. This fundraiser is to help pay his extensive medical bills. Please join us for an afternoon of fun while helping Colby and his family.
