

# TARGET TALK - SEPTEMBER 2021

## **Maintenance Schedule**

### **EVERY FIRST WEDNESDAY**

#### **Next Closure:**

Wednesday, September 1 8am – 12pm

\*ALL of our ranges will be shut down so that monthly maintenance work can be done on the grounds.

\*If you see anything that needs attention, please let us know.

## **On The Range:**

Though not required; gun bags and cases to and from the vehicle makes for good range etiquette. You may know “the guns are unloaded”, but those on the other end of the barrel do not. If you don’t have a bag, be mindful of where your barrel is pointing. No one likes to have a gun pointed at them. Let’s make range safety cool again!
