Dear Members,

Our next Board Meeting will be June 10th at 5:30pm with the General Membership meeting to follow at 7:00pm. We hope to see you there.

Range Closures -

All ranges will be closed on the first Wednesday of every month from 8:00am – 12:00pm for maintenance. June 5th, July 3rd & August 7th are the next maintenance days. Please check the club calendar for shooting events that require range closures.

Range Reminders:

- **Range rules require that when going downrange during a ceasefire, you must place the firearm on the bench, unloaded with the action open, muzzle down range or in the gun rack. If using a holster, re-holster or place the handgun on the bench, action or cylinder open, muzzle down range.**
- Please do not handle your firearm with people downrange. Even if it is unloaded or just to look through the optic.
- Only use club approved or provide target frames.
- Clean up your spent brass. This includes .22lr.
- Be a courteous member and throw away your used targets when you are finished.
- Clean up your shotgun wads and shells when finished using the patterning board.
