Our November match was cancelled due to the predicted wet and windy weather conditions. It is likely that most of our posse will be taking the RO I class.

Grizzly Peak Jake has offered to teach an RO I class at Mother Lode Gun Range. The tentative date is December 4th, 2022, in the club house. We have 4 people so far; 2 more are interested pending medical conditions. This is a great opportunity to keep updated with recent changes, as of January 2022, to the Range Operations Safety Course, Level One. The training will be conducted in the Mother Lode Gun Club clubhouse; it's a 4-hour course.

We could use your help, so that all of us are in cync with the current rules. RO II training is required to run the timer, and we could use your help with doing that in the future. Please advise if you will be attending

See you at our next shoot in Jamestown
